HOUSE SYSTEM

The House System is an integral part of school life at Doon Bhawani International School, designed to foster teamwork, leadership, discipline, and a spirit of healthy competition among students. It provides a platform for holistic development beyond academics, encouraging participation in a wide range of co-curricular and extracurricular activities.

The school comprises four houses, and every student is assigned to one of them from the beginning of the academic session. This system promotes a sense of belonging, unity, and collective responsibility.

The Four Houses Are:

Raman House – Green

Ashoka House – Red

Tagore House – Yellow

Shiva House – Blue

Each house is led by student representatives, including a House Captain (Boy and Girl), who work under the guidance of a House Warden (a member of the teaching staff), supported by tutors.

Throughout the year, students earn points for their respective houses through participation and achievements in various inter-house competitions such as sports, debates, quizzes, cultural activities, art, music, dance, and environmental initiatives.

At the end of the academic year, the house securing the highest aggregate points is awarded the prestigious House Trophy.

Students are required to wear their respective House Colour T-shirts on designated days and during special school events.
